REGISTRATION - ENTRY FEE

Registrations will be accepted until Monday the 8th of April and the race fee should be purchased the latest 5 days after the registration. The race fee should be fully paid and any bank charges burden exclusively the participants.

150 is the maximum number of participants plus 30 racers at the FUN category.

The registrations will end earlier than the 8th of April if the number of athletes is covered and the fees have been paid.

The registration can not be transferred to another person.

CANCELATION POLICY

Cancellation of registration with money refund will be accepted until 2 weeks before the race. Afterwards no money refund will take place.

RACE COURSE

Terrain

The timed stages are based on traditional paths that the people of Agiasos used, the old days, on their way to the chestnut forest, along with new built and specifically designed bike trails for the needs of the race.

Total course

April 13: 2 stages of 4,5km total distance and 19 km of connecting route. A lift will be used for the 9 km out of the 19. The total elevation is 400 mt.

April 14: 4 stages of 8,5 km total distance and 20 km of connecting route. 8km will take place by lift. The total elevation is 900 mt.

A more detailed analysis will take place at the technical meeting at Friday the 12th of April at the "ANAGNOSTIRIO AGIASOU".

The stages will be kept closed in order to be unknown till the days of the official trials.

The organizer has the flexibility to alter parts of the stages or even to abolish a stage if a matter of safety exists.

A race map including all six stages will be uploaded at the 3rd of April 2019

TRAINING

Trials are allowed from Thursday 11 of April due to the program.
Reverse motion or stop in the stages is prohibited.

TRANSPORTATION – UPLIFT

The organization does not provide transportation to and from Agiasos. That will happen only after agreement with the organizing committee.

During the race days lift will be used in certain parts of the connecting routes. More info at the technical meeting.

The transportation and transition of the athletes, during the trials towards the stages, is allowed to be done by car. But it is strictly prohibited during the race days.

SAFETY RULES

Every racer is obliged to wear a helmet. The obligation stands for the connecting routes and for the lift also. The use of eye glasses – mask, gloves and knee caps is obligatory too.

TRANSPORTATION

Nearby airports and ports are in Mytilini the capital of Lesvos, in a 40 minutes driving distance from Agiasos. Discount at ferry tickets by BLUE STAR FERRIES and HELLENIC SEAWAYS will be offered as always. In case of air travel we suggest the transportation of the bikes by forwarding companies that operate on the island. The organization carries the obligation of receiving, storing and sending the bikes to the destination place. (the charge is on the participants)

ACCOMODATION

In the village of Agiasos there is a guest house and some houses that can accomodate from 2 up to 5 persons.

**Anyone who is interested in booking to one of those should contact
